

We're moving...

As of June 30, 2017, you can find us at...

**POSTIS, LLC
3710 Commerce Drive
Suite 1001
Halethorpe, MD 21227**

And, while it's only a short move, the relocation will increase our manufacturing and assembly floor space to over 30,000 square feet, and our office space to over 3,000 square feet.

The move enables us to continue our steady, substantive growth while better serving our valued customers, and to work even more efficiently and effectively with our partners and vendor base.

Thank you for your support. We can't wait to show you our new facility and capacity.
